Loose Steer Rages Here

A spooky steer, escaping from the Benedictine Monastery herd at Benet Lake, Tuesday, Sept. 19, raised a mild havoc in Antioch as Police Chief Walter Scott and members of his squad attempted to corral the beast.

The course of the animal's escape was traced through Oakwood Knolls, Timber Lane, south on Depot, near Hardin Street and through Spafford Street lots, even going into the Hillside Cemetery, winding up in a field near highways 21 and 173.

Several persons trying to subdue the animal were charged but no injuries occurred. Due to the unsuccessful attempts of the police to control the steer's movements, two men on quarter-horses were summoned from the Fireside Ranch, Mac Fire of Antioch and Ron Halverson of Grayslake. The steer "went underneath my horse as it charged," Fire stated, "but no damage was done. Quarter-horses are trained to handle that sort of thing." The mounted men finally succeeded in roping the steer and he was brought under control.

Police Chief Scott said that the chase lasted from 3:30 to 7:00 p. m.

Hill to Teach E.M.H. Classes

Mr. Edwin Hill of Williams Bay, Wis., has become the new Special Education teacher of the Antioch Public Schools. Hill has been added to the staffs of Principal Richard Whitacre of Antioch and L. D. Vuilleumot, Director of Special Education of Lake County.

Hill will teach a room for educable mentally handicapped students. The E.M.H. room is expected to be exceedingly helpful to less fortunate schoolchildren.

Born in Urban, Ill., Hill taught and lived in Knox, Galesburg, Ill., and Williams Bay, Wis. He is a graduate of the University of Wisconsin in Special Education, completing half of the work toward his masters degree in the field of Mentally Retarded.

His experience ranges from an active E.M.H. instructor to four years of teaching at the Walworth County Special School in Elkhorn, Wis.

The Lake County Council for Exceptional Children was organized three years ago. The present officers are: J. N. Van Cleave, president; Milton Davis, president-elect; Miss Esther Whitman, secretary; and Mrs. Mary Connelly, treasurer.

The purpose of the Council is to promote the welfare of the exceptional children by coordinating the work of the various groups, agencies and individuals, both public and private, who are engaged in or interested in the welfare and education of such children.

Any person interested in or engaged in the education and welfare of the exceptional child, or any person interested in better understanding the problems of these children, may become a member of the Lake County Council.

The Lake County Chapter is affiliated with the International Council and with the Illinois Council for Exceptional Children.

Many people in Lake County who are working directly or indirectly with the exceptional child should be members of the Lake County Chapter. The meetings are very informative. There is much that each person can contribute to the entire program of Special Education.

Edwin Hill

IN QUEST OF MONEY—Committee members of the Lakeview Girl Scout Fund drive met in the Antioch Scout House, Thursday, Sept. 14, in preparation for their Independent Fund Drive. The goal of the drive is set at \$12,000. Those present at the meeting were from left to right: Mrs. Albert Sorenson, Lake Villa, Scout Leader; Mrs. Robert Buksas, Lindenhurst, Captain; Mrs. C. C. Kleffner, Venetian Village; Miss Debbie Claffy, daughter of Mrs. Raymond Claffy, Lindenhurst Major for Lake Villa; Mrs. Dale M. Lancaster, Libertyville Independent Fund Drive Chairman; Miss Margien Lund, Waukegan Executive Director of the Lakeview Girl Scout Council; Mrs. Russell Homan, Antioch-Major and Independent Merchant Solicitor and Mrs. Tadeusz Jedrzejewski, Venetian Village Captain.

Wesley Hall Hosts Visiting Speaker

Gordon H. Smith

How scientific prayer can be applied in a practical way to meet the problems of today's world will be brought out in a free public lecture on Oct. 1, 3:30 p. m. by Gordon H. Smith of Milwaukee, Wis.

A Christian Science teacher and practitioner, Mr. Smith is on nationwide tour as a member of The Christian Science Board of Lectureship.

He will speak under the auspices of The First Church of Christ, Scientist, Antioch, in Wesley Hall of the Methodist Church, on the subject "Christian Science: A Practical Religion in Today's World."

A native of Chicago, Mr. Smith was educated at The Principia and the University of Chicago. Prior to entering the practice of Christian Science healing, he was in the insurance business. He served for eight years as Christian Science Committee on Publication for the State of Wisconsin. In 1958 he became an authorized teacher of Christian Science.

Punt, Pass and Kick Hopefuls Enroll Here

The Punt, Pass and Kick program to be held here Oct. 14 has been slowly accumulating junior enrollments in the area. However, the expected turnout to this program has fallen short. It is hoped that many more local boys will register for the contest.

The main object of the contest is to determine the qualities of the participating boys in punting, passing and place-kicking. Judges from this area will, of course, decide the winner from the type of effort put forth in the contest.

Prizes will be awarded the winners.

"23 Skidoo" Will Be H. Homecoming Theme

"The Roaring Twenties" is the 1961 Homecoming theme for ATHS. The Student Council will soon be contacting business people about their participation in the parade. Anyone who desires to participate may call the High School office for an application blank, which must be filled out and returned to the Student Council before a float or car can be entered in the parade.

Resident Graduates From Officer School

Among 39 officers who are scheduled to graduate Sept. 29, from Limited Duty Officer indoctrination at the Naval Officer Candidate School, Newport, R. I., is Navy Ens. Bert L. Peck, son of Mr. and Mrs. Alfred M. Peck of Route 3, Antioch, Ill.

The six-week indoctrination includes study of naval leadership, military justice, naval operations, navigation, marine engineering, damage control and seamanship.

The officers, who reported as chief petty officers, Aug. 21, after completing more than 18 years service as enlisted men, were chosen to receive commissions through competitive examinations and interviews.

Berke Elected To Med. Board

Dr. Adolph N. Berke of 465 Orchard Street, Antioch, has been elected secretary of the board of trustees of The Chicago Medical School. Dr. Berke, a 1937 alumnus of the school, has been a member of the board of trustees since 1957.

He was chosen for the post at the board's annual meeting which was held for the first time at the school's newly-completed new Institute for Medical Research at 2020 Ogden Ave. The block-long 10-story \$5 million building is the first structure to rise on the school's broad new campus in the West Side Medical Center.

Other officers chosen at the meeting were Harris Perlstein, a trustee of the Illinois Institute of Tech-

Dr. A. N. Berke

nology and Armour Research Foundation, who was named chairman of the board; Harvey Kaplan, a member of the board of directors of Michael Reese Hospital, who was elected vice-chairman, and Samuel Froehlich, a director of Mount Sinai Hospital, who was chosen as treasurer.

As a routine action, Dr. John J. Sheinin was re-elected president of the school. Dr. Sheinin became dean of the school in 1935 and in recognition of his accomplishments was named president in 1950.

Local Boy Pledges in Iowa University Frat.

Lester Hribar, 18, of Antioch, son of Mr. and Mrs. Lester M. Hribar, after receiving eight different offers from various fraternities, was pledged to Alpha Kappa Lambda at the Iowa State University. He is majoring in Chemical Engineering. Hribar is a recent graduate of Antioch High School.

New Post Office To Be Built In Antioch

I. B. T. Holds Open House

The Open House at the new dial building of the Illinois Bell Telephone Company, which was held Monday and Tuesday evenings, Sept. 18 and 19, hosted approximately 600 people. There were also afternoon tours for students of the area from sixth grade through high school seniors, totaling 1300.

Those who did not visit the dial building could not comprehend, through a written story, the magnitude of the operation of the dial equipment.

As the visitors were shown through the building, the very pleasant employees of Illinois Bell explained the operation of the air conditioning system, the ringing mechanism and the emergency power equipment. Viewers were shown how a dial system works, the automatic billing operation, how an inoperative phone is reported mechanically, and how the area codes are distributed over the nation and into Canada. Duties of an operator for collect calls, person-to-person calls, information service, however, still require personal on-the-job performance.

Local Driver Breaks K-P Display Windows

A car driven by Chester J. Rosenberg, 69, of Antioch, drove into two plate-glass windows at the Kopper-Piccone Motor Co., Inc., Wednesday, Sept. 13. The accident occurred when Rosenberg turned into an alley next to the Kopper-Piccone building and hit one window. The other window was pulled out as the car was backed off by Rosenberg. The sizes of the windows were 6x9 and 8x9 feet.

Rosenberg was booked for property damage and reckless driving, Police Chief Walter Scott reported.

Channel Lake Boaters Ram Unlighted Barge

A speeding boat smashed into an unlighted barge in Channel Lake near Linden Lane Sunday night, Sept. 16, at 10:53. The boat was driven by Robert Arnoff, 3211 W. Palmer St., Chicago.

Injuries of a minor nature were sustained by Steve Theodore, 1524 S. Kenilworth, Berwyn, and Ed Adams, 534 W. Wellington, Chicago. Arnoff's wife, Dolores, 30, received chest injuries and was treated at the Antioch Clinic. She was then removed to the Victory Memorial Hospital in Waukegan for further treatment by the Antioch Rescue Squad.

Arnoff remained unhurt. No one was aboard the barge.

Police Squad Obtains New Member In Blue

Robert Herman Poser of Antioch has recently been assigned to the Antioch Police Squad. He has worked for the State Highway Dept. for 8 years and had, during the depression, a garage business in Chicago. He has been a Channel Lake resident for 20 years.

Poser's duties will be concerned with meters and cross walks in the Antioch area.

The Antioch Township Post Office is soon to have a new building on Orchard Street. Postmaster Roy Kufalk stated. Clearing of a 66 x 206 lot and the partially adjoining lot of 66 x 83 began Monday, Sept. 18, by the Pickus Construction Company.

Pickus will own the future building, renting to the Post Office for a ten-year period. The new building proposed will face South on Orchard Street. It will contain the modern conveniences of a service lobby, a box lobby, and a Postmaster office. It will be gas-heated and air conditioned. Fluorescent

Boy Dies In Corn Chopper

Donald Felix Elfering, 2, of County Trunk CJ, was killed Saturday, Sept. 16, at 11:45 near Bristol while riding on the left-hand side of a tractor driven by his father, Noel Elfering. The boy apparently fell asleep while standing, it was reported. He fell backward into the path of a moving cornchopper behind the tractor, dying instantly.

Donald Felix Elfering

Donald was born April 24, 1959 at St. Catherine Hospital in Kenosha to Noel and Joanne Elfering. Four brothers, David, Dennis, Douglas and Dale, survive him.

The boy's paternal grandmother is Mrs. Ruby Elfering; maternal grandparents being Ward and Ida Kiehl of Antioch.

After friends called at the Strang Funeral Home, a funeral Mass was held Tuesday, Sept. 19, at the St. Scholastica Church in Bristol, with Rev. Eugene Bleidorn officiating. Burial was in Ascension Cemetery in Libertyville.

Native Son Serves On Princeton in Far East

James R. Cole, 20, fireman, USN, son of Mr. and Mrs. Harry D. Cole of 842 N. Main St., is at present serving aboard the amphibious assault ship USS Princeton, homeported in Long Beach, California.

The Princeton, which recently completed a six-month overhaul at the Long Beach Naval Shipyard, is now making preparations for a nine-month deployment to the Far East this month. During the cruise Cole will participate in major fleet amphibious operations.

Cole, who graduated in June, 1959 from the Antioch High School, entered the Navy in February of 1960.

lights will also be installed, Kufalk added. The exterior of the building will be constructed from heavy concrete block and brick, and it is assumed that steel decks are to be used.

Up-to-date plans proportion the building to be 45 feet wide and 108 feet in length. A mailing platform of 15 x 36 feet will be constructed at the rear of the building for the benefit of deliveries. Parking area of the boot-shaped lot registers 132 x 83 ft. in the rear, with a wide driveway on the west side of the building. All-in-all the new Post Office will contain about 4,350 sq. ft. of interior floor space, not including the loading platform and the allotted parking space.

A recent survey based upon the necessities of having a new Antioch Post Office was completed and approved by the Regional Headquarters of the Post Office in Chicago, Jan. 13 of this year. The approval of the proposed plans is in accordance with a nation-wide modernization program of all postal facilities. This plan was first endorsed under the Eisenhower administration and has been further continued by the present government.

The gradual growth of residential and urban areas in this vicinity, plus the fact that many farms are being changed into modern subdivisions requires new accommodational facilities to be installed.

At present there are two city and five rural routes in the scope of the Antioch mailing service, handling the mail of roughly ten thousand persons within, and surrounding the community.

The present building, being used by the Post Office Dept., was 10 years old last spring. It has 16 employees to handle the voluminous amounts of mail which flow in every day. The reasons for the change in sites are due to the age, condition and inadequacy of the present site, and also, the volume of mail handled, space problems confining the workers, and the ordinary flow of service expected in a community of this size.

Mr. and Mrs. Morris Pickus, 988 Victoria Street, Antioch, of Pickus Construction Company were notified on Aug. 2, of this year that their proposal to provide a new postal facility had been accepted by the Regional Headquarters of the Post Office Dept. in Chicago.

However, the working drawings or actual architectural plans for the new site still remain to be approved, although several have been assembled.

The lots were acquired by Pickus from Mr. John Horan, who was one of the bidders offering up property for purchase by the Post Office.

Postmaster Kufalk was quoted as saying: "Due to our growing community, the new building becomes a necessity. It will certainly be a beautiful building and a benefit to everybody." Kufalk further estimated the cost of the proposed building at between \$75,000 and \$100,000.

Evening Adult Classes Start At Antioch High

Registration for evening adult classes at Antioch Township High School is open any weekday through the rest of September, including Monday, October 8. Registration time is between 7 and 8:30 p. m. in the High School office.

Courses meet one night per week for two hours through ten weeks, beginning week being that of October 9. This does not include short-hand courses which will meet two nights per week for an hour and a half. A minimum enrollment of ten per class will be allowed. Nights of desired attendance can be arranged.

The courses scheduled for the program are Beginning Typewriting, Intermediate Typewriting, Gregg Shorthand, Bookkeeping, Woodshop, American Government and World Politics, Basic Tailoring, Millinery, Self-Improvement and First Aid.

A weekly column concerned with the activities of students and faculty at the Antioch Township High School will appear in the pages of this newspaper starting next week. The column "Inside Antioch High" will be written by Mike Brooks, a senior student at the school.

ANTIOCH TOWNSHIP ASSESSMENT ROLL FOR 1961

The Assessment Roll of the Town of Antioch as certified by the Supervisor of Assessments appears on pages 12 to 16 of this issue of the Antioch News.

Every resident of the Town of Antioch should make it a point to check up on the amount of his assessment.

Any property owner who objects to the amount of his assessment should file a formal complaint with the Board of Review at the Court House in Waukegan within 10 days from the date of publication of this Assessment Roll.

EDITORIAL

The World Owe Them A Loving?

The youth of today, faced with the stark eventuality of entering into the world alone as have all other generations, is constantly tossed, we feel, into the reluctant arms of education. Of course, we are referring to those parents who can not only demand teachers to instruct their children, but constantly expect the schools to care for their tots "as one of their own."

Although a certain amount of understanding and patience should be rendered each child, this still, by no means, places the teacher in responsible parental positions. It is the parent who must instruct the child in ways of decorum, taste, attitude, appearance, manners - - not the teacher.

Teachers, taken for a commonplace commodity these days, are strictly obligated to impart what knowledge is in their keeping, to instruct, and to advise only in educational matters. They are not parents. They are in schools to teach, not to pamper, cajole and wheedle cooperation out of their students.

Parents who expect their child to receive all forms of guidance in our schools are shirking their own vital responsibility. They are supposed to be the real educators of their children.

Due to this unrealistic attitude of parents today, children mature in a slipshod manner. They grow resentful of authority since it is not registered in the home but in the school where they receive only the attention allowed by time. Under these adverse conditions the child, at times, becomes completely rebellious, venting his unreasoned and unfathomed anger upon unrelated things and persons. This attitude may lead to merely trouble-making in the school or community, or, if harbored for a great time, eventual crimes which increase in astounding magnitude.

This situation, it would seem to us, is indicative of our era, in which a decline of responsibility is adopted by those thinking they are progressively perceptive, an era of indecision fostered by ignorant armies of men clashing in a night of tension, an era rent with the spineless compromise of week-kneed politicians. Under the shadow of these men is where our youth walks.

It is unfortunate that the more irresponsible parents continue the childish behavior of expecting schools to function as a "home away from home." But, be it ever so humble, there is no place like home in which a child learns the most important facets in the molding of his character and personality. It is the job of the parent to teach him these things and none other.

Since this present type of parental attitude is obvious to the children concerned, it is no wonder that they feel that the world not only owes them a living but a loving!

The Shopping Center Crisis

The invasion of the behemoth shopping centers into the established suburban areas of Fox Lake, Round Lake, Lindenhurst and Mundelein ought to prove to local Antioch merchants that the possibility of one arising here is inevitable. The suburban communities and deluxe subdivisions adjacent to the village are ripe prey for the corporate "food-and-stock" blocks to move in on.

We feel that, in order to prepare themselves for this eventual business challenge, our local merchants ought to look to the future and begin to plan constructive moves to retain their present business stature, rather than contentedly squatting on their already accepted success.

Suggested propositions which might serve to better the positions of our merchants, under future conditions of this nature, would be to work toward a goal of area improvement, new parking lots, more sidewalks.

The businessmen located on the east side of Main Street could possibly think of clearing the land area behind their establishments, making room for parking lots, and then, in turn, revamping the unseen faces of their stores making two main entrances. In some cases it might even be feasible to have basement floors open to the public, thereby offering the customer ready parking, convenient entrance, and, of course, more shopping area in which to display goods. This plan has worked out quite successfully for Waukegan businesses along Genesee Street and in many other communities. The immediate cost of this type of program would naturally cause somewhat of a problem but, in the long run, would assure our merchants of continued success.

Other areas that possibly lend themselves to this avenue of exploration would be the west side of Broadway Street near the water tower and the intersection of routes 59 and 173. If sidewalks and crosswalks were installed, the open lots cleared for deep parking, and sites developed for the construction of new businesses, the village would increase as a more compact and serviceable unit.

Still, the problem, as we see it, remains basically for the merchants of Antioch to solve since it is their future which is at stake. No doubt many are aware of this situation as several merchants have already added excellent improvements to their stores.

It is felt, however, that as a collective and united body, offering suggestions of their own, organizing their own plans, and assuming an equal share of responsibility, they will be able to accomplish much in the interests of themselves and the common welfare of the community.

We trust that this will come to pass.

The Antioch News Page of Opinion

The Board of Economic Development functions as the state liaison agent for the Illinois community and the federal government.

Generally not known perhaps, is that a community, planning developments of housing projects, water conservation for industrial or recreational use, or planning availability of a site for a new factory, can obtain federal funds for such planning. The federal government will supply as much as two-thirds the cost of such plans for any approved project. In certain designated critical areas, it will pay three-fourths of the cost of such plans.

The Board of Economic Development is the one and only contact that communities have available for this help, and I again urge community leaders to get in contact with Victor de Grazia, executive director through any of his three offices—Chicago, Springfield or Heroin.

Adequate recreational areas and airport facilities are becoming more important to the industrial firm when considering the location of a new plant. Availability of a labor supply is a prime consideration. In formulating plans for such development or making a labor survey, a community can obtain valuable help and advice from the Board of Economic Development.

Speaker to Give Talk Concerning New Taxes

An emergency meeting, Thursday evening, Sept. 28, has been called by the Executive Committee of the Lake County Civic League, when all members and the public will have an opportunity to learn what new tax measures will occupy the attention of the State Legislature in a special session called by Governor Kerner, to begin Oct. 9. The event will take place in the auditorium of the luxurious new Waukegan Inn on Green Bay Road, between Washington street and Grand Ave. The feature speaker will be Representative Robert Coulson, widely read feature writer and a political economist of recognized authority.

"The special session of the Legislature to begin Oct. 9 is one of the most crucial in recent state history," stated League President Dwight Ingram. "If our citizens are to be afforded an opportunity to voice protests against punitive tax measures and wild spending programs, such as are currently under discussion, we must know what steps to take to block them. No one is better qualified to give competent advice as to the most effective course to pursue in the taxpayers' interest than Representative Coulson. Mr. Coulson will also discuss the Congressional reapportionment muddle."

4-H Members Invited To Peace Corps Work

Former 4-H Club members have a special invitation to volunteer for the Peace Corps, says Ray T. Nicholas, Lake County Extension Agent. Their skills and training are needed for a Peace Corps project which is now being considered for Latin America, Nicholas reports.

While exact location of the project cannot be announced yet because it is still being negotiated, participants would work as two-person teams, and help develop 4-H type rural youth programs. They would assist local Extension workers of the country in recruiting and training local volunteer Club leaders, and helping Club members with projects, demonstrations, meetings, exhibits, and recreation.

The Peace Corps assignment would be for two years, starting about December 1. The assignment includes a three-months training program in the language of the country, its customs and culture, at the National 4-H Club Center in Washington, D. C. Men and women 18 years of age or older, with rural and 4-H backgrounds, are especially desired as applicants. Those selected would be accompanied to their assignment, and guided in their work, by a project director and three regional supervisors, representing the National 4-H Foundation.

Youth of Lake County who are interested should call, write or visit the County Extension Office at Grayslake, as soon as possible, where further information and Peace Corps Application Forms can be obtained.

If you help a friend in trouble, he won't forget you—when he gets in trouble again.—Clarion-Ledger, Jackson, Miss.

3 Antioch Collegians Swell WSO Enrollment

Four foreign countries, ten states and 205 Wisconsin cities and towns are represented in the freshman class at Whitewater State College, Whitewater, Wis.

Largest out-of-state contingent is from Illinois, with 108 students enrolled from 83 cities and towns. Twenty-three of that number are from Rockford.

Connecticut, Delaware, Florida, Hawaii, Michigan, New York, Ohio and Pennsylvania are also represented, along with Canada, Germany, Korea and Panama.

Approximately 2800 students have enrolled for the fall semester at WSC, an increase of about 29 per cent over last year. About 1160 are freshmen.

Three residents from Antioch have enrolled as freshmen at WSC. They are Joyce Sorenson, 627 Parkway Ave.; Goldie Stillson, 1049 Spafford St.; and Mary Wertz, Rt. 4, Box 5.

MOOSE TOPICS

The Legionnaires of Antioch Moose Lodge 525 will hold a potluck dinner at the Antioch Moose Home, on Sunday, Sept. 24 at 2 p.m. All Legionnaires and wives have been asked to attend.

Experience is what makes you wonder how it got the reputation for being the best teacher.—LaFerre Information Service.

Millburn News

By Mrs. Frank Edwards

MILLBURN—Regular services at Millburn Congregational Church Sunday, Sept. 24, Sunday School and Church at 10 a.m.

The Study Group met Thursday morning at the Millburn Church. The next meeting will be held at 9 a.m. Thursday, Sept. 28, at the home of Mrs. Herbert Prange.

Dr. Dorothy Bailey, Mrs. Frank Dillenburg and daughter, Marian, of Chicago spent Sunday at the home of Mr. and Mrs. Samuel Bailey.

Mr. and Mrs. Robert Clark of Deep Lake and Mr. and Mrs. James Bonner and children of Kansasville, Wis., spent Sunday afternoon with Mrs. Harley Clark.

Mr. and Mrs. Don Voightlander and children of Milwaukee, Wis., spent Saturday afternoon at the home of Mr. and Mrs. Herbert Graham.

Mr. and Mrs. Foster Nussbaum of Waukegan were callers at the home of Mr. and Mrs. Charles Lucas Saturday evening.

Mr. and Mrs. James Bonner and children of Kansasville, Wis., and Mrs. Harley Clark were callers at the Walter Fontaine home in Gurnee, Sunday afternoon.

Mrs. James Foster is visiting relatives in Minnesota.

Miss Vivien Bonner of LaGrange is visiting relatives in Millburn.

Mr. and Mrs. Glen Cain of Waukegan spent Monday afternoon at the Charles Lucas home.

Mrs. Leo Stanczak and Mrs. Ellis Gott of Waukegan, Mrs. L. K. Watson of Lindenhurst and Mrs. Lyman

Bonner spent Monday at the home of Mrs. George Hogberg of Woodstock. Mrs. Gott remained to visit her sister, Mrs. Hogberg, for a few days.

Visitors at the Leslie Bonner home on Sunday afternoon were the Rev. and Mrs. Glen Strang and family of Pontiac, Ill.; Mr. and Mrs. Victor Strang of Waukegan, Mr. and Mrs. Vernon Stahnke and daughters of Arlington Heights and Miss Vivien Bonner of LaGrange.

Mrs. Eva Ailing of Waukegan was a caller at the home of Mrs. Frank Edwards Sunday evening.

John Clark of Waukegan was a dinner guest of his mother, Mrs. Harley Clark Sunday.

Margaret Paulsen from Evanston School of Nursing, Evanston, spent the weekend with her parents, Mr. and Mrs. William Paulsen. Mr. and Mrs. Roy Bonner and

Bill Bonner drove to Carlinville, Ill., Sunday, where Bill has enrolled in Blackburn College.

RESIDENT SALESMAN COPS

Earl W. Stringer, a member of the sales staff of Kopper-Plecone Motor Co., 980 Main St., Antioch, has been awarded membership in the Lincoln-Mercury Division's "100 Club." T. C. Smith, Chicago district sales manager for the division, announced today.

Stringer received his award for his outstanding sales achievements. It ranks him among the top Lincoln Continental, Mercury, and Comet salesmen in the country.

In making the award, Smith stated that the achievement also earned Stringer special recognition from the national Lincoln-Mercury Sales Council.

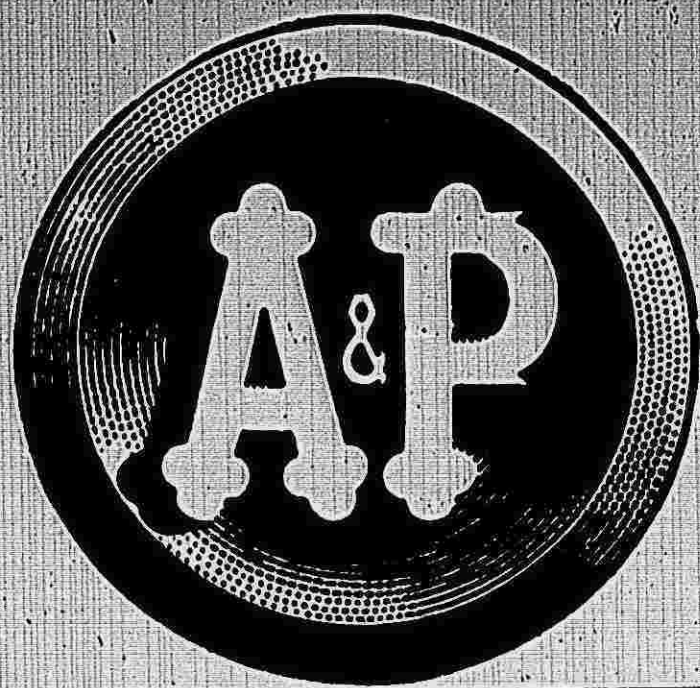

Resident Hosts Audubon Groups

A meeting to form a Lake County Audubon Society will be held at the Waukegan YMCA on Friday, Oct. 6, at 8 p.m. President Paul Downing of 459 Roger Williams Ave., Highland Park said the group is one of four Audubon clubs being organized this fall. Other clubs are being formed in Joliet, Jacksonville and Mt. Carroll.

Audubon clubs are nationally known not only for their interest in wild birds, but for their conservation efforts to protect all wildlife and for their interest in parks, forests and marshes. In recent years Audubon clubs have been organized in Macomb, Galesburg, Aurora and DeKalb.

The main speaker at the Waukegan meeting will be Mr. Leroy Tunstall of Wheaton who is president of the Dupage County Audubon Society. He will be joined by Raymond Mostek of Lombard, who is chairman of the Chicago Area Chapter of the National Parks Association. Mr. Mostek will show slides of his 45 mile walk across Isle Royale National Park in Upper Michigan. The meeting is free and open to the public.

The Lake County Audubon Society will be given an opportunity to present the famous Audubon Screen Tours. These nature films are shown in major cities all over the nation. They serve to further knowledge of the outdoors and to promote conservation of wildlife. William Murphy, Jr., of Petite Lake, Antioch, will serve as host for the meeting.

Topics for Today's Women

Jessie Day Weds Richard Skora

Mrs. Richard Skora

St. Scholastica Church, Bristol, Wis., was the setting Saturday, Sept. 9, for the wedding of Miss Jessie Marie Day and Mr. Richard Skora. Their vows were heard by the Rev. Eugene F. Bleidorn.

The bride is the daughter of Mr. and Mrs. James T. Day and the groom's parents are Mr. and Mrs. Albert Skora, all of Bristol.

The bride's floor length gown of slipper satin was trimmed with Venetian lace at the scalloped bateau neckline, which dipped to a V in the back. The fitted bodice, with matching buttons and long tapered sleeves, ended in a basque waist, and the skirt was pleated in the front and the bustle at the back was trailed by large box pleats. Her hand-rolled, elbow length veil was caught to a crown of seed pearls and tear drop pearls and she carried a cascade of red and white roses.

Mrs. Raymond Lubkeman attended her sister as matron of honor. She wore a cocoa brown taffeta floor length gown, with short sleeves and a scalloped bateau neckline which dipped to a V in the back. Her matching picture hat was trimmed with velvet ribbon and her cascade bouquet was of golden daisies with brown eyes. Elbow length white gloves completed the ensemble.

Bridesmaids were Miss Jeanne Day, Miss Jean Rasch, and Miss Barbara Orlosky. Miss Orlosky is from Iron Mountain, Mich. Their gowns, of garnet red, antique gold and forest green, were similar to that of the matron of honor, and they carried cascades of white brown-eyed daisies.

Walter Skora, brother of the groom, served as best man. Edwin Skora, David Poisl and Raymond Lubkeman were groomsmen and seating the guests were ushers Ted Skora and James M. Day.

The mother of the bride wore a sheath dress of sculptured peacock blue crepe, with matching hat and black accessories.

Mother of the groom wore a medium blue, embroidered silk dress, with matching hat and black accessories.

A reception for 500 guests was held at the Maplecrest Country Club, with Miss Judy Johnson and Miss Katherine Heath of Fond du Lac, Wis., pouring for the guests.

The couple will reside at 400 Barric St., Fort Atkinson, Wis., where the new Mrs. Skora is employed as a surgical nurse. She is a recent graduate of Columbia Hospital School of Nursing in Milwaukee. Mr. Skora is a senior student at Whitewater State College.

Scout Heads Will Have Moose Lodge Dinner

The Women's Auxiliary of Scout Troop 92, Antioch, met Thursday, Sept. 14, at Paty's Lounge for their regular dinner meeting.

The main topic of discussion was the spaghetti dinner, to be held Sunday, Oct. 1, at the Moose Lodge, from 1 to 7 p.m. This will be sponsored by the men's committee and tickets are now available from any Boy Scout, or may be purchased at Taylor's Shoe Store or Barnstable's Department Store.

It was decided that the auxiliary would order candy to sell during the holiday season, and also would list the meeting dates on the Antioch Grade School Band Calendar.

The "Night out for fun" date was changed to Thursday, Sept. 21, at Dick White's in Kenosha.

The troop's next regular camp-out will be Sept. 23-25, on Devil's Island. The girl scouts have been invited to attend the cracker barrel program Saturday evening.

Next scheduled meeting is for Thursday, Oct. 12.

In Memoriam

George A. Schulz, Antioch, Deceased September 24, 1960. "He is sorely missed, but never forgotten."

Mabel Schulz

Woman's Club Meets At The Country Squire

The Antioch Woman's Club will open its 1961-62 season Monday, October 2, with a 12:30 luncheon for members and guests at the Country Squire restaurant, Grayslake.

Speaker for the day will be Mrs. Ethel C. Burge, who is executive director of Woman's Whirl Division of Patricia Stevens. Her talk will be on "That Extra Something."

Reservations may be made with Mrs. Annette Lubkeman at 395-1519, or Mrs. Polly Bruhn, 395-0073, before Thursday, Sept. 28.

Grade School Holds PTA Pot-Luck Supper

The Antioch Grade School PTA opened the current season with a pot-luck supper and meeting in the school auditorium Monday evening, with 216 persons attending. Many fathers were present, as they received more points than the mothers in the room count.

Members of the school board, the teachers and principal, with their husbands and wives, were the honored guests of the parents. Board members and teachers were introduced by Richard Whitacre, principal, after the meal.

Harrison W. Brown, president of the PTA, greeted the gathering, and the Rev. Edmond Hood gave the invocation.

The meal was ended with community singing and Miss Ruth Nickelson, a teacher at Antioch High, rendered a very comical ditty entitled, "A Girl Can Get a Cold."

Mr. Brown called for any past PTA presidents who were present to come forward, and each received a corsage. They were Mrs. Ruth Baethke, Mrs. Dorothy Thompson, Mrs. Dolores Pierce, Mrs. Rosemary Eckert and Mrs. Frank Kuechenmeister.

Recognition was also given, to Mrs. Lucille Whitacre, as the teacher who has been at Antioch Grade School for the longest time, which is 18 years.

Mrs. Vivian Mapletorpe, vice-president and program chairman, introduced the Rev. Hood, who spoke to the parents and teachers on their responsibility to teach their children the basic fundamentals in life by example, as well as by word. He stressed the fact that it does no good to teach a child to respect public officials, if the parent then tries to get away with breaking the law, even in a small way. A child learns very early to mimic his parents' attitudes and actions.

The room count for this meeting was won by Mrs. Sue Powers' sixth grade class, and in second place was Mrs. Baethke's first grade.

The eighth grade room mothers in charge of the supper were Mrs. Dolores Eckert, Mrs. Lila Palinski, Mrs. Beverly Sorensen and Mrs. Dorothy Thompson.

Retired Operator Plans to Travel

Mrs. Alma A. Schaar

Mrs. Alma A. Schaar, R. R. 2, Salem, Wis., telephone operator in the Antioch office for Illinois Bell during the past two years, retired recently.

In her 30 years service with the Bell System, Mrs. Schaar has worked in several Chicago offices of Illinois Bell. She plans to travel during her retirement.

Mrs. Schaar and her husband, Paul, have a son, Richard.

Rainbow Girls Meet At Masonic Temple

Antioch Assembly Order of Rainbow for Girls will meet on Monday, Sept. 25, at 7:30 p.m., in Masonic Temple. Jane Lassen, worthy advisor, will preside.

Harriett Wells and her committee will serve refreshments.

Honeymoon in Florida Follows Wedding of Mr. and Mrs. Holem

The double ring ceremony of Miss Margaret Lehmann, daughter of Mrs. Irene Lehmann, Antioch, to James Holem of Northbrook, son of Mr. and Mrs. Don Holem, Sr., of Lake Villa, was held in Faith Evangelical Lutheran Church Saturday afternoon, Sept. 9. The Rev. M. E. Otterstatter solemnized the wedding.

The bride, given in marriage by Lee Sladek, chose for her wedding a gown of silk organza, with a fitted bodice and long sleeves of lace. The scalloped neckline was trimmed in sequins and the full skirt, with a lace overlay, ended in a chapel train. Her fingertip veil was caught to a crown of sequins and seed pearls and she carried a cascade bouquet of white orchids, stephanotis, ivy and white carnations.

Miss Barbara Waldweiler, cousin of the bride, served as maid of honor, and Miss Sandra Waldweiler, also a cousin, Miss Irene Ehrhardt, Miss Nancy Nemeo and Miss Jeanne Sobey were bridesmaids. They were all attired in blue silk organza dresses and their colonial bouquets were of blue and white carnations.

Brother of the groom, Robert Holem, served as best man, and ushering were Peter Lehmann, Jr., brother of the bride, Don Holem, Jr., brother of the groom, Herbert Horton and Thomas Rogge.

The bride chose her cousin, Lori Haling, as her flower girl and the groom's nephew, Michael Holem, as ring bearer.

A reception was held at Peregine's Resort, with Mrs. Peter Waldweiler as hostess.

After a wedding trip to Miami, Fla., the couple will reside at 1610 Shermer Road, Northbrook.

Mr. and Mrs. James Holem

Mr. and Mrs. Elmo Smyth

Honeymoon at Niagara Falls

Miss Peggy Cardiff and Mr. Elmo Smyth, of Beloit, Wis., exchanged wedding vows in the Antioch Methodist Church on Saturday afternoon, Sept. 9, with the Rev. Wallace Anderson officiating at the double ring ceremony.

Peggy is the daughter of Mr. and Mrs. Harold Cardiff, Sr., of N. Main Street and the groom's parents are Mr. and Mrs. Elmo Smyth of Rewey, Wis.

The bride, who was given in marriage by her father, chose a gown of organza and lace, fashioned with a sabrina neckline, long sleeves, and a bouffant skirt. Her jeweled crown held a hand-rolled veil trimmed with seed pearls.

Serving as maid of honor was Miss Charlene Miller, and Miss Sigrid Petersen, Miss Donna Gibbs and Mrs. Jeanette Cardiff, sister-in-law of the bride, were the bridesmaids.

They all wore gowns of mint green, fashioned with scoop neck, fitted bodice and full skirt. Their colonial bouquets were of yellow and bronze mums.

Special music was furnished by Kenneth Smouse, who sang the Lord's Prayer.

Serving as best man for the groom was Bud Lemke, and the bride's three brothers, David, Donald and Harold, Jr., were ushers.

A reception for 200 guests was held at the Angel's Restaurant with Miss Judy Pyles serving as hostess.

Following their wedding trip to Niagara Falls, the couple are now at home at 418 Roosevelt, Beloit, Wis.,

News of Trevor

By Mrs. Grace Miller

TREVOR, Wis. — Mrs. Minnie Sheen, Mrs. Grace Miller and Mr. Willis Sheen were dinner guests of Mr. and Mrs. George Vincent on Sunday.

The Willing Workers met with Mrs. Birdella Schwery on Thursday with ten members present.

Callers at the home of Mrs. Nel Runyard on Sunday were Mrs. Rita Liesener and Jim McAnish of Chicago.

A meeting of the Kenosha County ASCS was held at the home of Willis Sheen on Monday evening with ten members present.

Mrs. Donna Barhyte has been teaching at the Randall school for the 2nd grade teacher who is absent. Mrs. Fran Gibson has been a patient at Victory Memorial Hospital in Waukegan.

Several from here are making plans for the ice cream social to be held at the Methodist Church at Wilmet on Thursday evening.

Trevor was well represented at the 7th annual Rambler employee jamboree held at the County stadium in Milwaukee on Saturday evening.

Mr. and Mrs. Nick Konrad of Chicago were callers at the Charles Oetting home on Sunday.

Mrs. Harold Sheen is a patient at the Kenosha Hospital. Judy and Donnie Schemenhauer of Kenosha spent the week-end with the Howard Schultz family.

where Mr. Smyth is employed by the Beloit Health Dept.

He is a graduate of Wisconsin State College at Platteville and the new Mrs. Smyth formerly attended Northern Illinois University.

150° hot water is always on tap in a flameless electric kitchen

Twin heating units in a new Fast Electric Water Heater heat water as fast as it's used. There's no "saving up" for it to do the laundry or dishes. It's always there—150° hot—when and where you need it.

No pilot to light. Once installed, a new Fast Electric Water Heater is on its own. There's no pilot to light or go out, nothing to smell. Compact tank-type models fit in a

closet. Modern counter-top models fit in your kitchen or laundry (offer extra work space, too). No flues are needed. No vents or long pipe runs. Electric Water Heaters last longer than any other kind; many have been in service for over 20 years.

When you build, buy an appliance or remodel your kitchen, keep in mind the unique advantages of a flameless electric water heater.

So Clean, So Safe, So Modern

Gunther Goes "Inside" Antioch Public Library

John Gunther's first "inside" book was "Inside Europe" published back in 1936. In the intervening 25 years, he has written "inside" books that cover most of the world and they have all been best sellers. Now we have "Inside Europe Today" which brings the tremendous changes in the European political scene up to date. As new as today's newspaper, "Inside Europe Today" is available at the Antioch Township Library in memory of Ray Waters.

Robert Hale Strong was a 19 year old Illinois farm boy when he went to war. To him we are indebted for one of the most colorful accounts of the Civil War. Ashley Halsey, Jr., has edited Private Strong's diary so skillfully that we feel we are listening to the boy of 100 years ago telling us what the war was like for a participant. "A Yankee Private's Civil War" was given in memory of Mrs. Lydia Horton.

Ruth Elmquist edited "Golden

Moments of Religious Inspiration" from the pages of the Christian Herald. This wonderful collection of stories, poems, sermons, prayers, and essays illuminates and underlines the importance of God in daily life. "Golden Moments of Religious Inspiration" was given in memory of Nels O. Nelson.

Two excellent manuals designed to assist the outdoorsman in survival in the wilderness have been received in memory of Eugene Prange. "Living Off the Country," by Bradford Angier, discusses the four important aspects of survival—sustenance, warmth, orientation, and safety—and gives valuable instructions in attaining these needs.

"On Your Own in the Wilderness," by Townsend Whelen and Bradford Angier, will be very useful to many people, young and old of both sexes, who have discovered the joys of camping. Valuable helps are given for automobile and boat camping as well as for hikers.

DEATH NOTICES

HENRY V. COTELLE

Services were held Saturday, Sept. 16, for Henry V. Cotelle, 81, of Silver Lake, Wis., at the Strang Funeral Home with Rev. Edmond Hood officiating. Mr. Cotelle died Wednesday, Sept. 13, at St. Catherine's Hospital in Kenosha after a two-year illness.

Mr. Cotelle was born Sept. 9, 1880 in Paris, France. He came to America in September, 1947, residing with his daughter and son-in-law, Robert A. and Genine Faber at Silver Lake. Mr. Cotelle was a retired superintendent of a rubber factory.

He is survived by his wife, Margaret; his daughter, Genine, and three grandchildren, all of Silver Lake.

Burial was at Salem Mound Cemetery.

A. LYLE BICKET

Funeral services were held Sunday, Sept. 16, in Zion for A. Lyle Bicket, 62, a prominent Zion businessman. He died of an unexpected heart attack in his home, Saturday, Sept. 15.

Mr. Bicket for 25 years owned and edited the Community News and Zion Benton News. In addition he also set much straight matter for the Antioch News when a helping hand was needed. Mr. Bicket was a resident of Zion since 1908.

Surviving Mr. Bicket is his widow, Mary; two daughters, Mrs. Robert Beyler, Rockford, and Mrs. John Borth, Minneapolis, Minn.; five grandchildren; two brothers, Rev. Paul of Waupaca, Wis., and William of Zion. He was preceded in death by a daughter, Mary Marguerite, and his parents, Mr. and Mrs. George L. of Zion.

Burial took place in Pine View Cemetery.

FRANK SELAK

Services were held Monday, Sept. 18, for Frank Selak, 64, of Beach Grove Road, at the Strang Funeral Home. Mr. Selak died Friday, Sept. 15 at 7 p.m. in the Zion Community Hospital after a two-month illness.

Mr. Selak was born July 4, 1897 in Yugoslavia, coming to Chicago from Europe at the age of 9. He moved to Antioch Township 10 years ago.

He was a member of the Printer's Union, and was employed at the North Shore Printers in Waukegan.

Surviving him are his wife, Mary, (nee Vorlick) and son, Rudolph R. Selak of Antioch.

Rev. Edmond Hood officiated at the ceremonies. Burial took place at Liberty Cemetery.

RITA LA PLANTE

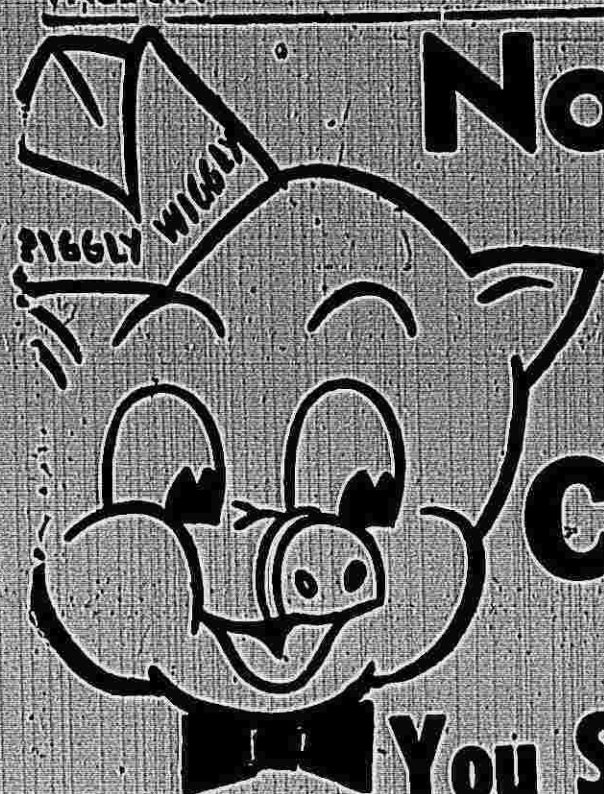

Mrs. Rita La Plante, 49, of Lake Marie, died Friday morning at St. Therese Hospital after a brief illness. Born Oct. 5, 1911, in Chicago, the daughter of Mrs. Mary O'Brien and the late William O'Brien, she came to Antioch 10 years ago.

She was a member of St. Peter's Church, the Altar and Rosary Society and Medical Missions of the church.

Mrs. LaPlante is survived by her husband Edward B.; four sons, William E. of Garden Grove, Calif., Gregory P. (C.S.C.) of Notre Dame University, South Bend, Ind., Eugene B. and Justin E. of Antioch; two daughters, Catherine L. and Colette E. of Antioch; three sisters, Mrs. Francis Kiefer, Mrs. Mary Lundquist, both of Chicago, and Mrs. Dorothy Mercer of Glen Ellyn; two brothers, Raymond O'Brien of Chicago and Eugene O'Brien of Chicago; and three grandchildren.

She was preceded in death by three brothers, Vincent J., Justin P. and James O'Brien and a sister, Sister Mary William Joseph (C.S.C.)

Funeral services were held Monday, Sept. 18, from Colonial Funeral Home to St. Peter's Church, where Requiem Mass was said at 10 a.m. Burial was in Mt. Carmel Cemetery. Rosary was said Sunday at 7:30 p.m.

"VINEYARD YEAR" 1

Lindenhurst News

By Mrs. Bernice Bernau
EL. 6-6449

LINDENHURST—Mr. and Mrs. Edward Bonovitz, 1809 Fairfield Road are the proud parents of their second daughter and third child. The new member of the family, Kathleen Sue, was born Friday, Sept. 15, at Victory Memorial Hospital. She weighed 7 pounds, 15 ounces.

The proud sister and brother are Debbie and Ricky. The paternal grandparents are Mr. and Mrs. Edward Bonovitz of Chicago.

The Masters and Mates of the Lake Villa Methodist Church resumed their monthly get-togethers last Saturday at the church on McKinley Drive. Movies were shown and plans were made for the coming year. Coming up are a Halloween party, treasure hunt, progressive dinner, bowling party, square dance and other exciting and fun-filled parties.

The Masters and Mates are married couples of the church, who meet the third Saturday of every month to have a good time and to get acquainted. Young and old couples are invited to attend their monthly get-togethers. Hosts and hostesses for Saturday night were Mr. and Mrs. Warren Brown and Mr. and Mrs. Robert Dolin. Rev. Gerald Robinson is the pastor.

Make plans now to attend their Halloween party Oct. 21.

The Naomi Circle of the Lake Villa Methodist Church is having a rummage sale Friday, Oct. 13, from 9 a.m. to 9 p.m., and Saturday, Oct. 14, from 9 a.m. to 2 p.m. Mrs. John Miller is chairman. For pick-up call Barbara Newland, EL. 6-7055 or Eleanor Praether, EL. 6-5311. Donations will be appreciated.

Ivy Cancer League No. 15 will meet Thursday evening, at Mrs. John (Grace) Slove's home, 2307 East Sunset Lane at 8 p.m. Members are asked to bring their projects to work on. Anyone doing any canning, is asked to please make an extra jar to be sold at the bazaar to be held at the Hooper School Nov. 4. All donations will be appreciated. Anyone having material that can be used for aprons, or embroidery thread they no longer need, may donate it by calling Mrs. Slove or leaving it at the bakery in Linden Plaza. She is president of the League.

Teenagers of the Prince of Peace Church in Lake Villa will receive Holy Communion next Sunday at the 9 o'clock Mass.

The Altar and Rosary Society of the Prince of Peace Church in Lake Villa is planning their First Annual Bazaar, Nov. 24 and 25. Ladies, men and children of the parish are making fancy work, knitted and crocheted work, pot holders, bird feeders, shelves, jewelry, ceramics, aprons, toys, etc.

Mrs. Bob (Dorothy) Smith, 1905 East Pinecrest Lane became a social member of the Royal Neighbors of America when they held their convention at the B. J. Hooper School all day Friday.

Girl Scouts in the Intermediate group will hold their first meeting of the season, Wednesday, Sept. 20, at the Lindenhurst Village Hall, from 3 to 4:30 p.m.

Mrs. Everett (Babe) Standford is leader of the new troop. Mrs. George (Anne) Lance, co-leader. Mrs. Lou (Bert) Marcek is publicity chairman.

On the Committee are Mrs. William (Helen) Guzski, Mrs. Howard (Gladys) Klister and Mrs. Milo Pontera.

Mrs. Joseph (Roselyn) Lisk, 1703 Fairfield Road and Mrs. Casey (Clarice) Rule of 166 Augusta Street in Grayslake are starting a Junior Cotillion for 7th and 8th grade students. A cotillion is a dance club. The instructions are going to be given in two hour sessions on Wednesday evenings from 7 to 9 p.m. every other month.

All of the parties are held on Wednesdays from 7 to 9:30 p.m. in opposing months. There will be an orchestra and refreshments for each of the parties. Boys will be required to wear a tie and coat at the parties. Girls will dress as they would for a school party.

No dating will be allowed. Parents will be responsible for bringing and picking up the members after the meetings. No one will be allowed to walk home from the instruction classes or dances without written permission from their parents.

All members will be chaperoned and sponsored by interested parents. Meetings will be held at the Lindenhurst Civic Center on Old Elm Road.

On the program are: Oct. 4—Registration and instruction in basic fox trot and rock 'n' roll. Oct. 18—Square Dance. Nov. 15—Instructions in Fox Trot, Waltz and Rock 'n' Roll. Dec. 20—Christmas Dance, orchestra, dance program, dance contest and refreshments Jan. 17—Instructions in Waltz, Fox Trot and Rock 'n' Roll. Feb. 21, Valentine's Dance, dance contest and refreshments. March 21, instruction in Polka Bop, Waltz and Rock 'n' Roll. April 18, instruction in Rumba, Cha-cha and Calypso. May 16, Cotillion prom, orchestra, corsages, final contest, official judges, gold cup prizes and refreshments. The Junior Cotillion has the ap-

proval of several leaders of the village. Our young people should be taught how to dance, so they won't be wallflowers. The rules are very good.

Mr. and Mrs. Max Duncan of Des Moines, Iowa, were Saturday visitors of Mr. and Mrs. Ray (Millie) Caldwell, 2118 East Old Elm Road. Their neighbors, the Paul Irelands, 2119 Old Elm Road, also were visitors. The three families all lived across the hall from each other when they lived at Farnsworth, when the men were in the Navy at Great Lakes. Max was here at the hospital Friday for a check-up. They had a good time recalling old memories.

A happy birthday to little Jeanne Caldwell, who was two years old Monday, Sept. 20. She is the daughter of Ray and Millie. Also, best wishes to Millie who will be celebrating her birthday Sept. 20. The other members of the family who will be helping them both celebrate are Linda, Mickey and Julie.

Happy anniversary to Chuck and Ida DeSomer of Briar Lane. They celebrated their 14th wedding anniversary Sept. 20. They have two children, Carol and Greg.

Mr. and Mrs. Edward (Bernice)

Bernau, 104 North Whiteoak Drive, son, Bill, and Mrs. Ella Schrottland attended the wedding of Miss Diane Pierscionek to Frank Kiraly Saturday evening. Diane is Mrs. Schrottland's niece and a cousin to the Bernaus. The reception was at the Melrose Park Tanager's Club.

The Lindenhurst Women's Club rummage sale was a success Saturday despite the fact that at the last minute, Friday afternoon, it was found out that the sale couldn't take place at the Civic Center as planned, due to the Center not being finished. 6:45 a.m. Bernice Bernau, chairman, was emptying her little old Falcon on the steps of the Hooper School when Chuck DeSomer

opened the doors and let her in. By seven o'clock several women were there sorting rummage and getting it ready to open by 9 a.m. A big thank you to all the ladies who helped.

Motorists who find it difficult to restrain themselves should wear a safety belt. The irritable or short-tempered driver will have use of one soon. But, says the Institute for Safer Living, safety belts are a

recommended life-saving device for all drivers and their passengers.

Bologna lb. 39¢

Although Jewel buyers choose poultry from only qualified poultry raisers, just a select few of all the poultry on these farms meets Jewel's exacting standards. And these are soft-meated, tender poultry with full breasts and meaty legs.

Even then, they're not good enough for Jewel customers unless they carry the U. S. Government inspection seal... your assurance that the bird you buy is well-developed and wholesome.

It's another example of how Jewel puts quality first. Taste the difference this weekend!

ANNOUNCEMENTS

CARD OF THANKS
We wish to express our deepest appreciation to the many friends who were so sympathetic and thoughtful, and for the kind acts extended us, during our recent sorrow. Special thanks to the Rev. Wallace Anderson, Mr. Ed. Strang, Loyal Order of the Moose, and Women of the Moose.
Dorothy, Mom, Sue and Pat

CARD OF THANKS
I wish to thank all the people who sent cards and flowers to me while I was in the hospital, and those who called with get-well wishes.
Hugo Gussarson

Lake Villa News

By Mrs. Fred Bartlett
Lake Villa, EL 6-5372
LAKE VILLA—The Lake Villa Methodist Church will hold a rummage sale on October 13 and 14, at the Lake Villa Methodist Church, located on McKinley Ave. The rummage sale will be held in the church basement on the 13th from 9 a.m. till 9 p.m. On the 14th, from 9 a.m. till 2 p.m. Mrs. John Miller is chairman.

The rummage sale is given by the Naomi Circle.
Donations will be appreciated. Numbers to call: EL 6-7055, Mrs. Newland, or EL 6-5311, Mrs. Elenore Prather.

The Bell Mora Association will sponsor a rummage sale at the Lake Villa Village Hall on Saturday, Sept. 23, from 8 a.m. till 4 p.m.

The Lake Villa Methodist Church will hold an all church picnic Sunday, Sept. 24, immediately after church, starting at 12:30 p.m., in Lehmann Park, Lake Villa.

This will be a pot luck picnic, so each member will bring a dish to pass, silverware, and tablecloth. Coffee and soft drinks will be provided by the church.

There will be games and prizes for all. Come and have a good time.

Toys are needed for the children's division of the Lake Villa Methodist Church Sunday School. Mrs. Robert Schroeder, head of children's division, is asking friends of the church to look in their attics and toy boxes in their homes for toys useable in the kindergarten room at the church.

The following toys are needed: dolls, doll clothes, doll beds, plastic dishes, doll furniture, broom and duster, wooden puzzles, story books, toy chest, trucks, record

McHenry Bowls Over Antioch Sequoits 31-0

Fast Backs Fail to Run For Paydirt

The Antioch Sequoits, under the direction of Coach Walther, suffered a bitter defeat at the hands of a powerful and faster-moving McHenry squad in their first non-conference game of the season last Friday night, Sept. 15, at 8 p.m. The Sequoits were smashed down to a 31 to 0 score at the end of four bruising quarters of football.

The first quarter of the game was punctuated by McHenry drives into Antioch paydirt. A short up-the-middle pass from DiCicco to Vern Petersen on a second down play scored through a breaking Sequoit defense. The extra-point attempt failed.

McHenry's next score came within minutes of the first, when, after recovering an Antioch fumble on the 32 yd. line, Ron Freund, a bounding halfback, went for 18 yds. The next play saw Freund dashing over for the touchdown. Again, the extra point was no good.

Antioch's early bid for much-needed points came late in the quarter when a completed run-and-pass from Joe Pleviak to Denny Pogose spurred the Sequoits to a spirited drive that ended on McHenry's 33 yd. line where McHenry took over. Paul Morenz, a hard driving McHenry back, tore through the Sequoits' faltering line off right tackle for a 20 yd. gain where the quarter ended.

The second quarter was sparked by a completed pass from DeCicco to Morenz which brought the ball from the Antioch 26 to the 3 yd. line. It was here that Partipilo, Antioch's swift sprinter, who seemed to be working the ball exceedingly better than the rest of his seatback teammates, intercepted a DeCicco pass. Quarterback Pleviak threw a 19 yd. jump-pass to Pogose from the point of interception. The play, however, was called back due to Antioch's backfield being in motion. Antioch was forced to punt after slight gains to the McHenry 43. Here, the McHenry squad again started a drive which resulted in Quarterback DeCicco scoring on a 12 yd. run. The extra point was no good.

The half ended with Antioch again attempting to score with a 13 yd. completed pass from Pleviak to Partipilo which was downed on the 42. McHenry held the Sequoits away from more gain until the gun. Antioch tightened its line in the 3rd quarter to hold McHenry to its first-half score of 13-0. Although Morenz moved the ball deep into Antioch territory in two crushing drives, the Sequoits grimly held in and stopped them cold when Fitch intercepted a McHenry pass on Antioch's 30.

Fourth quarter Antioch hopes were dashed by long McHenry drives led by Pat Faunt and Morenz adding two more touchdowns to their swelling score, both extra points being good. Rourke scored the last McHenry touchdown from the Antioch 16 for a score of 31 to 0. The estimated total attendance of Sequoit boosters was approximately 250. Three buses were provided for student transportation with many fans motoring down to McHenry town.

During the course of the game's action, it seemed that the Antioch line did not function as it should have, failing to bolster the defensive secondary and somewhat dying on the offensive backfield. Evidence of this were the numerous bread-and-butter tackles missed and open slots that were not there for Sequoit sprinters to dash through. Combination plays employed by the team failed to get ground-gaining response.

Generally though, it is felt, that the team's showing could have been a lot worse since they were up against a tougher, weightier and taller squad whose reserves were fresh, and experienced widespread. Antioch meets Grayslake here Saturday night, Sept. 23 at 8:30. It is sincerely hoped that the squad will achieve its first victory. The important thing now is that not only the High School but the Village turns out to give the players the needed support to win.

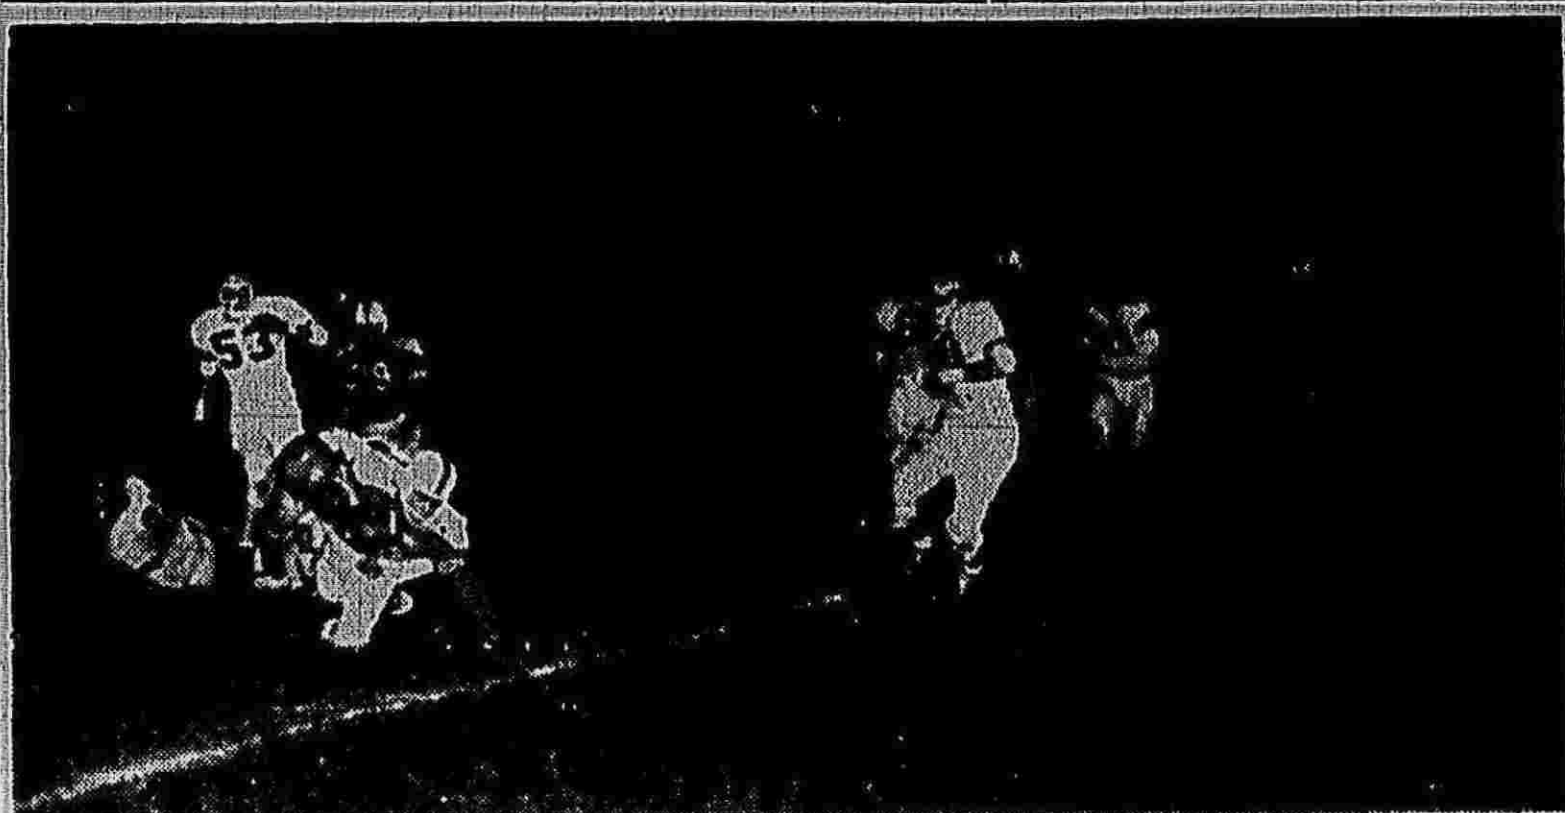

Bantam Bowlers Begin Junior League Matches

Sixty Junior Bowlers started their League Bowling at the Antioch Bowling Lanes last Saturday, Sept. 16.

Antioch's stellar star of the Junior League, Barbara Casella, rolled 179-147-147, giving her a grand total of 473. Another girl bowler, JoAnn Bolton, did well also with 126-135-157, totaling 418.

Two boys had series of 500: Bob Lenczewski, 187-157-185 for 529, and Bill Oza 162-153-185 for 500. Jerry Berke came close with 135-175-183-493.

Eighty Bantams registered and will start bowling Saturday, Sept. 23 at 1 and 3 p.m.

Down to the turf! Ray Partipilo, Sequoit speedster halfback, seen here lugging the ball down with him, has been nailed after a short end run by McHenry defenders. This play, which occurred in the first half of the nonconference game, Friday night, Sept. 15, was one of the more successful efforts of Antioch to prevent the eventual score of 31 to 0.

Splitting the waves is the "Grayhound", one of the many roaring boats to speed in the Governor's Cup Regatta last Sunday which was attended by over 15,000 people.

Thousands See Zender Win '61 Governor's Cup Regatta

Approximately 15,000 spectators were on hand Sunday, Sept. 17, to witness the 1961 Illinois Governor's Cup Regatta. This was one of the largest crowds ever to attend a boating event on Fox Lake. The two day event was held under ideal racing conditions with spectators enjoying the warm September sunshine.

The regatta sponsored by the Chain O' Lakes Boat Club was sanctioned by the American Power Boat Assn. The well known Mineola Hotel was the site for the racing activities and the Governor's Banquet held Saturday evening.

Frank "Dixie" Davis, the boat safety supervisor for the Illinois Department of Conservation was on hand to present the Governor's Cup as Gov. Kerner was unable to attend, due to previous commitments. Ed "Zip" Zender of McHenry, Ill., drove the winning boat, the "Twinkie." This E racing runabout is owned and maintained by Ralph Fuchy of New Berlin, Wis. Davis presented the 4 ft. Governor's Cup to Zender and Fuchy after the final heat of racing. Zender, 25 years old, is a veteran of 14 years of power boat racing. Fuchy, with 4 years experience operates a speed and power equipment shop in Milwaukee. The winning hull is a former cracker box class converted to E racing runabout and is powered by an exceptional Chevy engine.

Zender set a tremendous pace in the Twinkie as he outran the world record holder, the Miss Steel City, formerly the We'E owned by Guy "Red" Wilson of Long Beach, Calif. His 85 to 90 mph speed gave him the checkered flag for both heats.

In the SK racing runabout event, the "Lead Sled" driven by John Stone of Glenview, Ill., was completely demolished in the north turn during the first heat. This 16 ft. Rayson craft hull powered by a Pontiac engine, sank to the bottom. However, the driver was uninjured. Lou Portalski of Antioch and "Zip" Zender driving the Hex put on the best spectator event as Portalski took the second heat by only 20 feet after a close 3 lap contest. Both boats were disqualified for jumping the gun and "Hi Charlie" driven by "Jug" Kelly of Chicago was the winner in this class. The very first heat Miss Quicky, driven by Ron Larson of Chicago, was forced out in the first heat with a blown engine.

Lars "Swede" Stromstadt of McHenry, driving Ed Sullivan's "Lute-fish" near the century mark, had no close competition as he took both heats in the 135 hydro class. Swede drove this boat to 3rd place at the Nationals in San Diego, Calif., last month.

The next Chain O' Lakes Boat Club racing event will be held on Oct. 15 on Fox Lake. This 5 hour free for all marathon event will be the last racing event of the season.

Fish Champs Compete Sun.

Two Ingleside representatives and one from Antioch are among the 18 finalists who'll compete for the 1961 Illinois state fishing championship next Sunday, Sept. 24, at Channel Lake and Lake Catherine in the Chain O' Lakes.

The Ingleside hopefuls are Robert Lang and Robert De Decker, both of whom qualified for the finals on the first day of the 8-day eliminations on Sept. 8.

Lang, an outstanding bass angler, hooked the only daily limit of 10 bass during the trials for 181 points. This was the largest number of points compiled by any of the competitors.

De Decker scored 130 points. Antioch's standard bearer is Robert Phillips, of Antioch, who won the qualifying round on Sept. 12 with 1 northern pike and two black bass for 53 1/2 points.

Contestants during the eliminations could only fish for black bass and northern pike. Each fish caught was worth 10 points and every pound five points.

Sunday's fishing will be done between 9 a.m. and 1 p.m., and 2 p.m., and 6 p.m. Bass, to be counted for points, must measure at least 10 inches. This is the only change over the rules which prevailed during the eliminations.

Defending champion Bill Hoffman, of Evanston, who had to qualify for another shot at a second

Waukegan Program Topped By Record-Setting Racers

Ken Tlougan of Milwaukee and Miles Mellus of Slinger continued their winning ways at Waukegan Sunday night, Sept. 17, as the 18th program of modified stock car racing was staged before a weather-chilled crowd of some 2,100 persons. Tlougan led a contingent of eight Wisconsin drivers across the finish line setting a new track record in taking the 25 lap modified feature at an average speed of 52.09 mph.

Wisconsin drivers again dominated the program, walking off with top honors in all modified events, including qualifying, four ten lap heats and the 15 lap semi event.

Tlougan's mark breaks the former mark for the Waukegan Speedway which was set on Aug. 27, by Fuzzy Fassbender of Slinger, when he sped to victory averaging 50.93 mph. Tlougan surged into the lead on the seventh lap and was never again headed, as his chief competitor, Mellus, spun out on the 19th lap and fell over a lap behind.

As Tlougan moved through the traffic, Billy Johnson, Slinger, the night's fastest qualified, (53.25 mph) Bob Karry, Waukegan, Mellus and Fassbender staged a tight battle for the second spot. Karry spun out on the 16th, placing ninth, and Mellus' spin accounted for still added excitement as Johnson nearly rammed him, as Fassbender sneaked into second, taking that position at the finish ahead of Johnson.

West Allis driver, Bill Strom, still maintains the season point lead after Sunday's action, but the margin has been cut considerably as John Reimer, Caledonia, moved to within 10 points of overtaking Strom. Reimer posted the 2nd fast time of the night, picking up

crown, also made the grade. He won Wednesday's (Sept. 13) round with 9 black bass, good for 112 1/2 points.

Others in the field are: Chicagoans Edward J. Rakosnik, Jr.; Raymond E. Dolac; H. B. Johnson, and Ronald J. and Allen Lindner, brothers; Don Nichols, LaGrange Park; John H. Martin and Robert A. Munsell, Mundelein; Bob Imgersoll, Forest Park; George Kraymer, McHenry; Howard Smiley and John D. Engnath, Round Lake.

In addition to the state crown, the finals also will be used to choose a qualifier to represent Illinois in the World Series of Fishing at Grove, Okla., Oct. 23-28, at the Grand Lake O' The Cherokees.

45 points over Strom who had 10th time. Reimer took a second in a heat, earning an additional 18 points over Strom, and Strom placed fifth in the main, followed by Reimer earning 1-0 more points than Reimer. Their new totals stand at 2515 for Strom to 2805 for Reimer. Fifth place Greg Krieger, Milwaukee, last season's track champion, jumped to third spot with 2320 points, dropping Jack Frost, Zion, to fourth with 2305. Frost was unable to compete due to a cracked block discovered late in the week, and was unable to get it repaired in time for Sunday's action. Ted Rozinski, another West Allis driver who had held the lead for most of the season did not appear, because of both mechanical difficulty, and his appearance in the Milwaukee 250 mile stock car classic. He drops to fifth spot with 2260 points.

Mellus set a new track mark in winning the fourth heat event of the evening when he wheeled his Chevrolet powered stocker to an average speed of 51.58 mph.

The twelve lap Amateur feature was stopped on lap three when Cary Pietschmann of Waukegan, flipped three hard times on the north turn. The roll was so fast and furious, that drivers stopped their cars even before the red flag came out, even though the machine stopped upright. Pietschmann suffered only a small cut on the right hand and did not require hospitalization.

Gene Southeren of Waukegan went on to capture the event following the restart.

NOW! A NEW WORLD OF WORTH!

NEW FROM DIESEL TO DAZZLE!

'62 CHEVROLET JOBMASTER TRUCKS!

WITH NEW High Torque Power

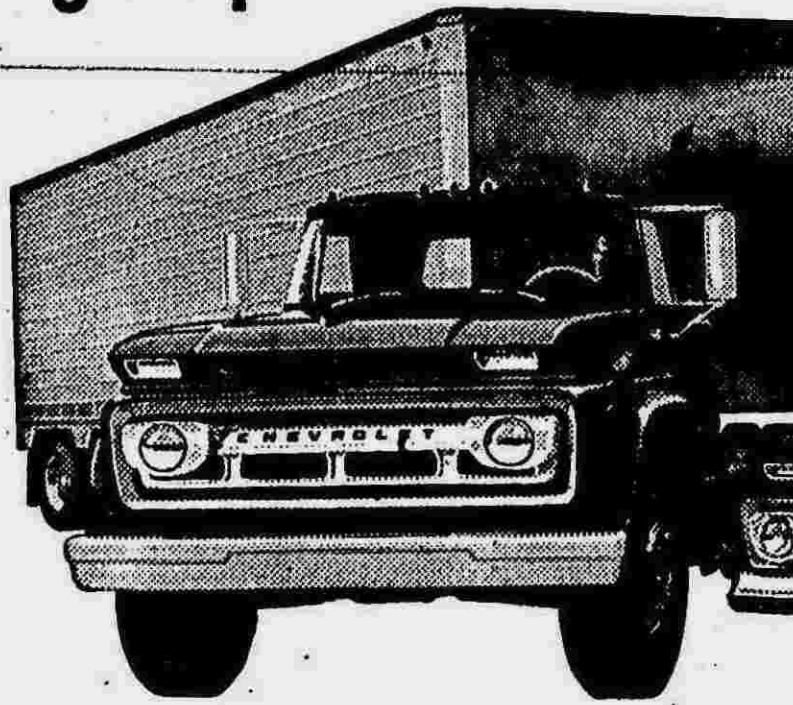

Here they are—handsome, functional '62 Chevrolet trucks powered to work harder in every weight class. Hefty new V8's with the highest torque in Chevrolet history. New diesel brawn for medium-duty models. And new power to pick from in light-duty models.

There's a wider choice of power, a wider choice of torque, across the board. For heavies, there's the new High Torque 409 V8*, with 18 1/2 percent more torque than ever before available from Chevrolet. Big news in the middle-weight class is the new Chevy-GM 4-53 Diesel. It's compact, rugged, high in torque, and backed by years of GM Diesel experience. In the light-duty lineup, the High Torque 261 Six* adds new sock, new savings in extra-tough applications. You can pick from nine rarities-to-work, ready-to-save engines.

Handsomeness new work-styling includes forward-sloping hoods that allow drivers to see as much as 10 1/2 feet more of the road directly ahead. Chevrolet's famous Independent Front Suspension gives you a smoother riding, easier working, longer lasting truck. New heavier duty, smoother hypoid rear axles for middle-weights. Rugged new I-beam front axles* of 9,000- or 11,000-lb. capacity are available on Series 80 heavyweights. Mufflers are longer lived on all models.

You'll find a total of 198 models in the new '62 Chevy line—including three work-proved, versatile Corvair 85's. Every model is built to out-haul, out-last and out-value any other truck at anywhere near the price. See your Chevrolet dealer! *Optional at extra cost

that's THE LAW

A PUBLIC SERVICE OF
ILLINOIS STATE BAR ASSOCIATION

IN COOPERATION WITH THIS NEWSPAPER

DOES THE LAW ALLOW TV TO INVADE YOUR PRIVATE LIFE?

Are you aware that you have a legal right to be left alone in your private life? Yes, it is true that each of us has the right to conduct his personal affairs free of unwarranted publicity. Some new and interesting aspects of this so-called "right of privacy" have arisen since the coming of television, with its probing camera and wide audience.

Suppose, for example, that the Blake family resides in the metropolis of Zanesville, Ill., and that Mrs. Blake is a regular customer of the Magic Food Store. Magic sponsors a "man-on-the-street" television program in front of one of its stores. Let us assume four cases.

One: Mrs. Blake is pictured by the television camera as one of the crowd gathered to watch the show.

Two: Mrs. Blake is pictured on television while being interviewed by the monitor of the program.

Three: During a commercial, the camera focuses on Mrs. Blake as she approaches the store, and the monitor proclaims: "Here comes Mrs. Harry Blake of this city, who is a steady customer of the Magic Food Stores. She knows quality products!" Mrs. Blake is unaware of this.

Four: Magic secures a picture taken of Mrs. Blake while she is in a Magic store buying food, and uses the picture in its television advertising. The picture is taken and used without her knowledge and consent.

Now in which of these hypothetical cases has Mrs. Blake's right of privacy been violated?

In the first case Mrs. Blake has not been wronged because she knowingly placed herself in a position where she is likely to be photographed as part of the crowd, and because the televising was of reasonable duration and of a subject of general interest. In the second case, Mrs. Blake volunteered to be interviewed and thus consented to the televising. She voluntarily gave up her right of privacy for that purpose.

The third case is different, because Magic televised Mrs. Blake without her consent, and she had no reason to expect to be pictured. Further, the purpose of the store's act was to promote its own commercial ends. Mrs. Blake's right of privacy would probably be held to have been violated.

The fourth case presents facts constituting a clear transgression of Mrs. Blake's right of privacy. Although the picture was taken of Mrs. Blake buying food in public, Magic has no right to publicize that act beyond those who would normally view it. The case is made even stronger by the fact that the store's use of Mrs. Blake's likeness is to benefit itself financially.

Even those who come often into

the public eye have a protectible legal right of privacy as to that portion of their life which they have not surrendered to public view and interest. A movie star's right of privacy may be violated by television should the camera focus on him in his private life, or should his likeness be used for commercial purposes without his consent.

In many instances the legitimate interest of the public in newsworthy events overrides the individual's tender feelings about his privacy. Examples are the televising of spectators or participants at a baseball game, a public speech, or other events of general interest.

In questionable cases the courts have been prone to give preference to the desirability of an informed public over the right of an individual to his privacy. Nevertheless, each of us has this legal right to be left alone, which if violated without cause, can be vindicated by a civil action for damages.

WHEN A WITNESS MAY REFUSE TO TESTIFY IN COURT

In recent years the privilege against self-incrimination has become one of the most familiar of the many civil rights embodied in our Constitution. Widespread publicity of recent investigations by various legislative committees has made the privilege against self-incrimination a topic of frequent discussion and considerable controversy.

The historical origins of the privilege are rather obscure. Some legal historians trace its beginnings as far back as the 12th Century of the English common law. It has also been suggested that the privilege may have originated as a protection against the ancient practice of "trial by ordeal." Under this system an accused person who entered a plea of not guilty was subjected to extreme physical torture. If he survived, he was considered innocent. If he succumbed, he was declared guilty.

Torture Once Common

Long after the practice of trial by ordeal passed from the scene, physical torture was frequently, and legally, employed in the courts of England. Persons suspected of treason were arrested and tortured for the purpose of obtaining a confession of guilt. This was usually done before any formal accusation had been made. During this period the principle clearly emerged that "no man should be required to accuse himself." At this stage of its development, the principle was directed against abusive police methods and was not as yet thought of as a right available in court. It was not until about the middle of the 17th century that the privilege, as we know it today, began to take solid hold in the English common law.

The privilege found its way into the law of the American colonies as a heritage of the English common law. Historical evidence of its operation during the colonial days is rather sparse. In 1791 the privilege was enacted into the 5th Amendment to the Federal Constitution, providing that "no person shall be compelled in any criminal case to be a witness against himself." The Constitution of the State of Illinois also contains this provision.

The privilege against self-incrimination permits a person to refuse to testify as a witness in any court proceeding, civil or criminal, if he can establish that the testimony called for would tend to subject him to punishment for violation of a criminal law. This does not mean that a witness can ignore a properly issued summons or subpoena and refuse to appear in court. He must respond, appear in court, and then claim his privilege.

Contempt of Court

The witness may refuse to answer only those questions the answer to which would tend to incriminate him.

Therefore he cannot claim the privilege as to a question which appears to be harmless on its face, or which, if answered, would tend to disgrace him or harm his reputation. Questions can be avoided by use of the privilege only if the witness can establish that the answer would constitute a disclosure of part of a chain of events estab-

lishing a criminal act. If he cannot do so, but still refuses to answer, he may be held in contempt of court.

Criminal Case Different

In contrast, the defendant in a criminal case may refuse to take the stand at all.

The privilege against self-incrimination is generally invoked before judicial tribunals, but it is also available before grand juries and other similar bodies, and it appears that the privilege is available to a witness called to testify before a congressional committee.

Whether the historical basis for the privilege no longer exists so that today the privilege serves only to protect guilty persons from the punishment they deserve or whether it is still a valuable bulwark against the abuses of a police state is the subject of much debate.

This column is written to inform and not to advise. No person should ever apply or interpret any law without consulting his attorney. Even a slight difference in the facts may change the result under the law.

Grant High Students Appear Well-Groomed

For the past several years the Grant Student Council has sponsored a "Dress-up Day" on the third Wednesday of each month. Wednesday, Sept. 20 was the next such day. Each student is asked to pay particular attention to grooming on those days. It is hoped that through observation of these special days good grooming can be encouraged.

To date the event seems to have been a great success since personal appearance at Grant has been complimented by many visitors.

QUOTABLE QUOTE: LIBERAL EDUCATION NEEDED

"... Another world in which we must also compete successfully is far less tangible, and has no very precise indices such as gross national product, energy use, or rocket thrust to measure success or failure. I refer to the world of ideas, and values, and to the loyalties and commitments in the minds of men. We could well, through an irony of fate, have the first man on the moon, the largest stockpile of thermonuclear bombs, the most successful economic system and still lose our heritage of freedom. There is a whole range of studies within the liberal curriculum that,

when properly taught and diligently pursued, allow us better to understand ourselves and our world."

Lawrence Kimpton
Former Chancellor, U. of Chicago
Commencement Address, U. of I.
June, 1961.

A recent study of 1,547 Illinois dairy herd improvement member records showed that 66 percent of the dairymen were using hay conditioners. This compares with 33 percent last year and only 20 percent in 1959.

head for comfort

Change to low-cost GAS heat now!

Now is the time! Winter's cold and another heating season will soon be here. But there's still time to convert your heating system to gas—the clean, efficient, dependable fuel that gives you ideal, carefree comfort. Don't put it off.

Conversion is easy. Usually takes less than a day. No waiting for permits either. All that is necessary for any residential, commercial or industrial customer is to register at any of the conveniently located Northern Illinois Gas Company offices.

Gas saves you plenty. Convert to gas heat now and get started on a money-saving plan for real long-range economy. What you save with thrifty gas will soon pay the nominal conversion cost—and you'll keep on saving for years to come.

Contact your heating contractor. He will be glad to give you an estimate on a conversion unit—or a space saving, complete gas furnace. Act now, get set to enjoy wonderful gas heat this winter. More than 470,000 of our customers already are!

Channel Lake News

By Mrs. Pearl Kapell

It was a beautiful day for a wedding Saturday, and the wedding of Carol McGlynn, daughter of Mr. and Mrs. Russell Breul, and James Sheen, son of Mr. and Mrs. Lester Sheen, was a beautiful wedding.

Carol and Jim were married at 3 p.m. on September 16 in the Methodist Church in Antioch. The marriage service was performed by the Reverend Howard Benson.

The bride wore a floor length gown of white lace, with fitted bodice, a high neck trimmed with pearls, and long sleeves. The back of the skirt fell in a series of lace tiers, and the overskirt in front was caught into scallops by rosebuds. She carried a bouquet of white roses. The short veil was held by a crown of seed pearls.

The matron of honor, Mrs. Arleen Bedore, wore a ballerina length gown of pale blue taffeta, with a matching crown and short veil, and carried a cascade bouquet of small white mums, partially tinted to match her dress. The three bridesmaids—Ruth Trussell, Margaret Noonan and Lynn Kapell—wore similar gowns of pastel taffeta, with matching veils and bouquets. The junior bridesmaids and the flower girl—Karen Trussell, Christy Bedore and Joan Bjork—were small counterparts of the bridesmaids.

Ring bearer was Lance Trussell, nephew of the bride. The best man was Clifford Sheen, and ushers were Gary Sheen, James Bruening and Arthur Foulke.

The bride was given away by her brother, Douglas McGlynn.

The reception was held at 7:00 p.m. at Holy Name Church Hall in Wilmet. After the reception the bride and groom left for a two-week honeymoon in the East. On their return, they will reside at Twin Lakes, Wis.

Mr. and Mrs. Andrew Stewart of Grapevine Avenue have sold their home in Channel Lake Bluffs and are in process of moving to Florida. Mr. Stewart flew to Miami by jet Sunday, and Mrs. Stewart plans to leave shortly by car. The Stewarts were summer residents of Channel Lake for many years, and moved here permanently when Mr. Stewart retired several years ago.

The Couples Club met on Wednesday, Sept. 13, at the home of Katharine Archer. Members who attended were Mr. and Mrs. William Frey, Mr. and Mrs. Frank Hennig, Mr. and Mrs. Harry Weiss, Mr. and

Mrs. Robert Hess, Mr. and Mrs. Clarence Spiering and Mrs. Lois Liess.

Mrs. Lillian Lenake was hostess to the ladies of the Felter's Subdivision Birthday Club on Wednesday, Sept. 13. It was a belated birthday celebration, but the food was just as tasty and the party as gay as though it had been on time.

Carl Doty and his two nephews, Art and Charles Doty, of the Chicago Ink and Research Company of Antioch, attended a meeting of the National Marketing Convention at the Congress Hotel in Chicago last week. The local company had a fine exhibit at the convention.

The Channel Lake Community Club met at the school house on Tuesday, Sept. 12. A small attendance prevented those present from completing any business. However, plans were gotten underway for the next dance to be sponsored by the club, which will be held October 28.

Mr. and Mrs. Richard Kalk are the parents of a baby girl, Janice Eileen, born Sept. 1. Janice weighed seven pounds two ounces. She has two brothers and three sisters.

John Bierman celebrated his birthday on Sept. 13 with some of his friends and relatives. Guests at the Biermans' for the day were Mr. and Mrs. Glen Will and son, Tommy, and Mr. and Mrs. Richard Will, all of Wheeling.

Mr. and Mrs. Paul Zelen, Jr., are the parents of a baby boy, Paul, born Thursday, Sept. 14, in St. Therese Hospital. Young Paul was expected in October, but he evi-

dently was in a hurry to get here so that he could see his big brother, Joe, before he had to return to his duties with the navy. Joe, who has been on thirty days leave, left for San Diego Sunday night. Young Paul has five brothers and two sisters.

Apologies to Brownie Troop 177. Their meetings are not held at the school, as we had in last week's news, but at the home of Leader Lois Ward. Hope we didn't confuse any mothers.

Grant High Features "College Night" Talk

The second "College Night" of the year will be held in the Grant Community High School library Tuesday, Sept. 19. Students, parents, and other interested persons are invited to attend and talk to representatives from the participating schools. They are Bradley University, Illinois Institute of

Rockford College, Upper Iowa University, Millikin University and Lorain College.

It is thought that this group of colleges will be of special interest since several former Grant students have attended and are attend-

Technology, Milwaukee-Downer, and some of these schools.

A race horse is an animal that can take several thousand people for a ride at the same time.—E. Dubuque Register.

Tips On How To Save Flowers Over Winter

We often wonder at this time of year, states Leland C. Smith, Kenosha County Horticultural Agent, what can be done to save some of the flowers that we have outdoors. With frosts coming, many of these will be killed. Some of these plants can be saved.

If a plant that was put in the ground without taking it out of the pot, the move back to the house is not too difficult. Plants should be moved a couple weeks before the heat is turned on in the house so they become acclimated to the new environment. If they are moved from cool outdoors directly to the warm indoors temperature, many times the leaves will fall off.

To prepare potted plants for the move to the house, reports Smith, the pots are loosened two weeks before the move. This can be done by turning the pot in the soil. This breaks off some of the feeder roots that grow through the drainage hole of the pot. New feeder roots are developed within the pot. A few days before bringing the plants in, they are lifted from the soil but allowed to remain outside. They should get plenty of ventilation when first brought inside.

It is harder to bring in plants that were set out without the pot, as the roots are quite wide spread. When such plants are lifted, many of the feeder roots are broken and the plant will not survive the shock without a lot of leaf loss.

For these plants, it may be easier to take cuttings and start them indoors.

Cuttings are started in September and October of the geranium if plants are wanted for early spring flowers indoors and for bedding out. To get winter flowering, the cuttings are started in August.

Most plants have a resting period and will not make a growth during this time. Summer blooming flowers that are brought inside do better if placed in a cool place with subdued light. Water sparingly until the new growth appears. At this time, they can be cut back and given more light and water, Smith relates.

Some of the flowers that will bloom indoors are: chrysanthemums, nicotiana, scarlet salvia, dwarf marigold, petunia, lobelia, calendula and lantana. These plants are taken before frost comes. Select stocky plants that are just starting to bloom or have buds on them. Care must be taken to dig without breaking many roots. These are put in roomy containers that have good drainage. These potted plants are watered thoroughly and left outside for a few days. When they are moved inside, they should not be put where the temperature is too high—over 75 degrees. These flowering plants need all the winter sunlight that can be given them.

Any plants that are brought inside should be checked for insects so that they don't spread to other indoor plants. Aphids, mealy bugs, red spider and scale are the most common pests.

Malathion spray will take care of most of the pests. Where only a few plants are brought in, the insects can be removed by hand.

Motorists often make a wrong decision by choosing a right lane for a left turn. The decision is equally as "wrong" when attempting to turn right from a left lane. The Institute for Safer Living advises working your way into the proper lane well ahead of an intersection where you plan to turn—right lanes for right turns, left lanes for turning left.

ALL ABOUT BABIES

A Public Service of the National Baby Care Council

HANDLING BABY EMERGENCIES

By John A. Doherty, Executive Secretary Michigan Health Council, E. Lansing, Mich.

A baby emergency need not be a frightening experience, if you know in advance just what you should do.

Following are some of the most common emergencies that involve babies and the action to be taken in each case:

Bites—animal and human—Clean thoroughly with soap and water and apply sterile dressing. Attempt to identify the animal and its owner. Notify your doctor immediately for all bites. **Insect**—Apply cold compresses. If pain or swelling is severe, notify your doctor.

Burns—Wash gently with soap and water. Cover with clean, loose dressing. Do not use any other

treatment without consulting your physician.

Convulsions—Keep baby flat. Loosen clothing and keep warm. Do not give anything by mouth until consciousness returns. If baby feels hot, sponge with or place in water which is neither hot nor cold. Notify your doctor after convulsion is over.

Cuts, wounds—If bleeding is profuse, keep the part elevated above the rest of the body if possible and apply pressure over the cut with a clean dressing. Clean with soap and water and cover with sterile dressing. If deep or a puncture wound, call physician.

Poisoning—Produce vomiting. This is most easily done by having a person drink warm water and gagging by sticking the finger

down the throat. Save the container of the poison and call a physician. In case of strong corrosive substance such as lye, vomiting is not desirable.

Chemicals in eye—Wash thoroughly with plain warm water and call your doctor.

Fractures—Move child as little as possible. Splint with a padded stick or thick newspapers tied in several places above and below the area. Call a physician. In case of neck or back injury any movement is dangerous.

Dental injuries—If tooth is completely knocked out, recover tooth, place in clean tissue, gauze or handkerchief and take with you to the dentist. Prompt attention by your dentist to a broken or chipped tooth may save it.

Foreign objects—Any foreign body in the nose, throat or ear should be taken care of by a physician. Do not attempt to remove these yourself. If breathing is dif-

ficult or embarrassed, put in head down position and slap back sharply. If the object is not obtained, call your doctor or go to the nearest hospital as quickly as possible.

6 MILES NORTH OF LIBERTYVILLE

When a car is this beautiful, you know Pontiac built it!

Who else but the builder of those front-running Wide-Track Pontiacs could bring out a car so freshly and finely styled! It's longer, with a crisp, low silhouette. It's distinctly Pontiac, with a new twin-scoop grille you can recognize a block away. Powered by the potent Trophy V-8, with 215 to 348 h.p. Beautifully poised on Pontiac's famous Wide-Track stance. We've even cut the turning radius as much as 3½ feet to make handling easier. The result is a pride-pleasing new version of America's Number One Road Car. Come on in—and let a Pontiac show you its stuff while it's showing you off!

The '62 Wide-Tracks are here!
